D) STATEMENT OF COMPLIANCE

My submission of this permit application acknowledges that I am authorized to operate the requested Airport equipment by my employer. I will observe industry standard practices in the operation of Airport equipment, and I will follow all applicable Rules and Regulations. I am authorized to train my employees in the operation of Airport equipment authorized within the approved Permit. I will immediately report any damage or maintenance issues on authorized Airport equipment to Airport Operations. I will not authorize individuals to utilize Airport equipment until they have been properly trained and I will maintain records of said training. I will provide the Airport copies of any training records related to the use of Airport equipment upon request by the Airport. I will promptly notify the Airport if the need to operate Airport equipment is no longer valid at which time the issued permit will be terminated. I accept responsibility for any damages to Airport equipment. I understand that I should perform a preliminary walk around of any equipment prior to its use and report any damage prior to operating equipment. Failure to report damage that is subsequently reported will result in my occurring responsibility for said damage.
